# RIDER INFORMATION

## GETTING STARTED

We've designed this brochure as a resource for new and experienced riders. Instead of having to pick up separate schedules for each route we operate, we've put it all in this book so you have everything you need to navigate the Bull City by bus. These guides are available at many locations citywide or can be sent by mail. To request a copy, please call 919-485-RIDE (7433) or email [godurhamtransit.org/feedback](mailto:godurhamtransit.org/feedback).

## PLANNING YOUR TRIP

First, take a look at the information and bus schedules presented in this book. The system map shows all of the bus routes in Durham and should help you identify the route you need. If the stops nearest you aren't served by the route you want, you will most likely need to take the bus that serves your starting point and transfer to the route you want. If you need help figuring out your bus options, call 919-485-RIDE (7433) for personalized assistance.

We also have several online tools that can help you plan a bus trip:

- ▶ **GoDurham Website** – [godurhamtransit.org](http://godurhamtransit.org)  
Plan your trip, download schedules and find other information about the system.
- ▶ **Transit App**- A free app shows you where the buses are in real-time.
- ▶ **Umo Mobility App**- Use your phone or computer to track your bus in real time.

## READING ROUTE SCHEDULES

Not all stops are shown on the schedule. Instead, we list "timepoints." These are select bus stops with specific pick-up times. On-time performance for a bus is determined by its departure time from these stops. Please refer to the timepoint closest to your stop to determine your approximate pick-up time. Also note that outbound buses are headed away from Durham Station, while inbound buses are traveling towards Durham Station. Most GoDurham buses use the same schedule Monday through Saturday with reduced service on Sundays and holidays.

## TAKING YOUR BIKE ON THE BUS

Bicycles are permitted on all GoDurham buses. A special rack on the front of the bus enables two bikes to be secured safely in an upright position. Cyclists can load bikes easily and quickly. Bikes that are foldable may be carried onto the bus, however they must be stored in a carry-on bag to cover sharp edges.

## TRANSFERS TO OTHER SYSTEMS

Riders using GoDurham, GoRaleigh, or GoTriangle can expand their travel area by transferring between transit systems. For details, please visit our section on fares.

## HOW TO RIDE

Our priorities at GoDurham are safety and getting you to where you need to go. While we work with our operators to provide the best customer service and travel experience, here are things that riders can do to help ensure a smooth ride and on-time arrivals.

Arrive at your stop between 5 to 10 minutes early. Wait where the operator can see you. If your stop is dark, has an obstructed sign, or otherwise needs attention, let us know at [info@gotriangle.org](mailto:info@gotriangle.org) or by calling 919-485-RIDE (7433).

- ▶ As the bus approaches, check the sign above the front window to make sure it's the route and destination you want. If it is, let the operator know that you wish to board. If it's not your bus, signal to the driver that it's okay to pass. Note: Occasionally, buses have technical issues with their route signs. If you see a bus that typically doesn't serve your stop, it still may be yours. Ask the driver what route is being served.
- ▶ Make sure to check with the operator for which route is being served.
- ▶ Before boarding, stand back from the curb and wait until the bus comes to a complete stop and the doors are open.
- ▶ GoDurham is fare free. For Regional information, please visit, [gotriangle.org/fares-passes](http://gotriangle.org/fares-passes)
- ▶ Priority seating for seniors and passengers with disabilities is available in the side seats and first rows in the front of most vehicles. Keeping these seats clear for their intended occupants can help us all travel safely and on schedule.
- ▶ When all the seats are filled, our buses allow for standing passengers. Please move to the rear of the bus to help increase standing room and ensure that other riders are not left behind. Moving to the rear will also speed the boarding process and help us to arrive on time.
- ▶ Major stops will be announced. If you are not familiar with the area, please ask the operator to call out your destination.
- ▶ About a block before you want to get off, push the black or yellow plastic strip or pull the cord above your head to request the next stop.
- ▶ Gather all personal items and exit through the rear door.

# RIDER CONDUCT

GoDurham wants to provide an enjoyable and safe experience for all passengers. For the safety and comfort of all, please observe the following rules aboard the bus:

- ▶ If you see any unusual behavior or suspicious activity on the bus, please report it to the bus operator or call (919) 485-RIDE (7433) and report it. Try to give detailed information about the person's appearance, speech, behavior, etc.

## AWARENESS/LOST & FOUND

- ▶ Don't leave your packages, cell phones, money, or other items on the bus when you exit. Transit employees are not responsible for items left on buses. Bus Operators cannot stop on their routes to search for lost items.
- ▶ Items recovered on buses will be returned to lost and found. Call 485-RIDE (7433) to see if your item has been turned in the following day.

## INCLEMENT WEATHER

- ▶ GoDurham provides safe, reliable and convenient service in all types of weather. Based on road conditions, routes and schedules are subject to change. Inclement weather information is available from drivers, customer service representatives, signs posted on the buses, radio and television announcements and the GoTriangle Information line at (919) 485-RIDE (7433). Check the website to find out if the bus will be delayed during inclement weather at [godurhamtransit.org](http://godurhamtransit.org).
